Welcome to Delnet

DELNET was started at the India International Centre Library in January 1988 and was registered as a society in 1992. It was initially supported by the National Information System for Science and Technology (NISSAT), Department of Scientific and Industrial Research, Government of India. It was subsequently supported by the National Informatics Centre, Department of Information Technology, Ministry of Communications and Information Technology, Government of India and the Ministry of Culture, Government of India.

Step 2 : Click on **DELNET Online** link at lower left pane or follow the hyperlink <http://164.100.247.17/index.html>

A new Web page appears which prompts you to provide the **USER NAME** and the **PASSWORD**, obtain them from the Librarian by sending a mail to library@nith.ac.in. The User Name and the Password are not case sensitive. Click onto START button.

Step 3 : Search Resources

a) Search Books :

If you want to search for any book, kindly click the **Union Catalogue of Books** or follow the hyperlink <http://164.100.247.24/cgi/nph-bwcgi/BASIS/union/cat/main/SF>. This database currently has bibliographic information of more than 1.2 Crore books. Fill the required fields and click on **Search Now** Button. The list of books will appear matching the criteria you defined earlier. Click on the Book Title to view more Information.

b) Search Journal Articles :

If you want to search for any book, kindly click the **Articles Database** or follow the hyperlink <http://164.100.247.24/cgi/nph-bwcgi/BASIS/serials/serials/serials/SF>. Fill the required fields and click on **Search Now** Button. The list of article will appear matching the criteria you defined earlier. Click on the Article Title to view more Information.

Step 8 : Request for Article/Books

Send the email to library@nith.ac.in with the detailed bibliographical references of Books/Journal Articles required by you (copying from the DELNET Page). Library will process the request and let you know when it receives the Books/Journal Articles.

Alternatively click on the icon marked POST which appears just on top of the description area and a new ILL form will be generated with the already filled in data of the Book.

Type the ILL Password in the appropriate Box and also complete the other details including your name, telephone number, name of the institution, etc.

Kindly note that no field of the form should be left blank or else, the request may not get registered. After filling in the ILL form, click the “**SUBMIT REQUEST**” and within a few seconds a message on the screen will appear conveying that the request is successfully registered with DELNET.

DELNET will process the request and send the book(s) through courier/post to the Library. Library will notify you when know when it receives the Books/Journal Articles.

Points to Remember :

- Do not use any articles, i.e. a, an, the, or prepositions, e.g. for, on, of, etc. while searching.
- In E-mail communications, please mention your full name, designation and postal address including pin code and mobile number.
